Experience

Sales Development Representative

ProofJump

July 2024 - Present

Part-time | Hybrid

Engineering Technician

Honeywell

July 2024 - Nov 2024

Part-time | On-site

- Developed, scripted, shot, and edited high-quality training videos on Honeywell XLS fire alarm devices, covering both hardware and software systems. Ensured content accuracy and clarity for diverse educational purposes.
- Assisted in planning course curriculums, aligning technical content with learning objectives for enhanced training outcomes.
- Worked on-site at various locations, including apartment buildings, to capture practical, real-world applications of Honeywell products.
- Shadowed and supported instructors during training sessions, enhancing instructional delivery and addressing student queries.
- Received comprehensive training in Honeywell Building Automation Systems (BAS), gaining technical expertise in automated building solutions.

Video Editor

Freelance

February 2021 - July 2023

Remote

- Edited and produced diverse video content for clients, including promotional videos, educational content, and social media clips.
- Collaborated with clients to understand their vision and goals, offering creative input and technical expertise.
- Used Final Cut Pro for tasks like cutting, color grading, audio editing, and adding visual effects.
- Managed multiple projects simultaneously, meeting strict deadlines and maintaining effective client communication.
- Organized file management for raw footage, project files, and final exports.
- Designed and executed motion graphics and animations to enhance video content.
- Provided post-production support, including revisions, format conversions, and subtitling.

Content Creator

Self-Employed

December 2015 - February 2021

Remote

- Created and managed engaging YouTube content on gaming, lifestyle, tech, and more.
- Developed original video essays and montage segments.
- Hosted and produced a podcast with curated discussions and interviews.
- Created and managed a blog, developing original written content and in-depth articles, which was later compiled into a short book.
- Used advanced video and audio editing software for professional content.
- Planned and scheduled content to maintain a consistent publishing schedule.
- Managed all content production aspects, from ideation to distribution.
